Dear Directors:

I am the tenant listed in the enclosed expungement order(s).

Minnesota Statutes § 504B.241, Subd. 4 says that “If a tenant screening service knows that a court file has been expunged, the tenant screening service shall delete any reference to that file in any data maintained or disseminated by the screening service.”

Subdivision 2 states that “At the request of the individual, the residential tenant screening service must give notification of the deletions to persons who have received the residential tenant report within the past six months.”

I am asking you to delete all of your references to this court file, and that you notify anyone who got my tenant report in the last 6 months that the eviction was expunged and deleted from my file.

Minnesota law does not permit tenant screening agencies to ask for any other information on tenants before taking this action.

Please contact me if you have any questions. Thank you.
