

Important Documents to Have Before You Turn 18

Remember: whenever you are sending in applications or documents to anyone, you should always keep copies of the papers for yourself and write down the day you mailed them.

Getting a Certified Copy of Your Birth Certificate

What you need: Photo ID, \$26.00

How long will it take? 4-6 weeks by mail. Right away if you apply in person.

Step by Step Process:

Note: These instructions are for people born in Minnesota. If you were born in another state, go to <https://www.cdc.gov/nchs/w2w/index.htm> to find instructions for the state you were born in. If you were born in another country, contact an embassy or consulate of your country for information.

1. Find the [application online](#) to print out at www.health.state.mn.us.

- Click on *Certificates & Records*
- Under *Birth Certificates and Records* click on *Birth Certificates*
- Under *Where do I get a birth certificate?* find *For service by mail, fax or email* section
- Click on *Birth Certificate Application*

You can also call (651) 201-5980 to have an application mailed to you.

2. Fill out the application form. Do not sign it until you go to a notary. **Your application will not be processed unless it is signed in front of a notary.** You can find a notary at your local courthouse, the department of motor vehicles and banks. Some schools have notaries too. You **MUST** bring along a photo ID when getting documents notarized. There may be a fee, but it should not be more than \$5.00.
3. Mail the completed form, with your \$26.00 payment. You can pay with a check or money order made payable to “Minnesota Department of Health” or fill out your credit card information on the form.

Mail it to: Minnesota Department of Health
Central Cashiering- Vital Records
P.O. Box 64499
St. Paul, MN 55164-0499

OR fax the completed application form to (651) 201-5740. If you fax the form you have to pay with a credit card.

NOTE: You can apply in person for a certified copy of your birth certificate if you want the process to be quicker. Go to your county's local registrar's office. You can find your local office at: <http://www.health.state.mn.us/people/vitalrecords/registrars.html>. They are listed by county.

If you apply in person, you can get the form there, fill it out and hand it in. Most registrar offices will notarize your application for you, and you can often get a certified copy of your birth certificate the same day.

Frequently Asked Questions

1. *How old do I have to be to get a copy of my birth certificate?*
If you are over 16 you can get a copy of your own birth certificate. If you are younger than 16, you can get a copy of your birth certificate if the record is not confidential. If you have questions about confidential birth certificates, call the Youth Law Project of Mid-Minnesota Legal Aid at (612) 332-1441.
2. *What if I am adopted?*
You can get a copy of your adoption certificate. If you want a copy of your **original** birth certificate you must be at least 19 years old. Even then, your birth parents have the right to keep their names and other information confidential.

Call the Department of Health at (651) 201-5980 for more information.
